

Happy Diwali, Moti!

I hope you enjoy your moon picture. I know you love the moon and you're always talking about how you feel connected to it. I hope this picture brings you some peace and happiness.

I hope it reminds you that even when things are tough, there's always something beautiful to look at

FUN FACT:-The pictures were taken the night that this crazy, foolish girl came into the world to mess up my mind.

I hope that you're taking some time for yourself and doing things that make you happy(mera dimaag khana). Don't forget to relax and have some fun!

I hope you have a wonderful Diwali

Your secret friend

PURU SINGH
